# You deserve to know what Girl Scout cookies fund

Promote prostitution, abortion and LGBT agendas at UN events and climate change conferences worldwide

New Age consultants to train Girl Scout executives

Teach teen Girl Scout delegates to advocate for "Sexual Rights" for children w/o parental consent

Write Journey badge books with radical activists, abortion advocates and lesbian role models

**Girl Scouts of the USA (GSUSA)** national headquarters benefits from every box of cookies sold through licensing fees the bakers pay to use the Girl Scout logo. GSUSA's cookie income and your donations help pay for:

- **Association/membership fees** to participate in abortion and homosexual-rights advocacy groups like The National Council For Research On Women, National Collaboration For Youth and the World Association of Girl Guides and Girl Scouts (WAGGGS), that openly partners with International Planned Parenthood Federation. **Every Girl Scout is a part of WAGGGS.**
- **Partnerships between Girl Scout Councils and Planned Parenthood** clinics, educators and executives that expose girls to the pro-abortion mindset.
- **Salaries for GSUSA Executive Staff** who are leaders in the homosexual-rights movement: Deb Taft, Lynn Cothren, and Timothy Higdon, as well as Media Spokesperson, Joshua Ackley. Ackley stars in homo-punk music videos that show strangulation of a woman and masturbation, yet he was chosen to facilitate the 2010 "Girls Only" workshop hosted (cookie-funded) by GSUSA at the United Nations.
- **GSUSA's movement of "inclusion"** which led it to admit in 2011 they have been hiding "transgender" boys in Girl Scout troops and welcomes them through the 12th Grade, despite its previous assurances of providing an all-girl experience to its members and their parents.

# GIRL SCOUTS Doesn't Want You To Know...

- In December 2012, Girl Scouts and Girl Guides were on the Steering Committee of the Bali Global Youth Forum (with PLANNED PARENTHOOD) advocating for governments to **LEGALIZE PROSTITUTION** (as "sex work" and "decent employment"), provide **CONTRACEPTION** and **ABORTION** to girls as young as ten **WITHOUT PARENTAL CONSENT** and push for **HOMO-SEXUAL GENDER EQUITY**... read the Declaration for yourself... <http://icpdbeyond2014.org/key-events/view/13-icpd-global-youth-forum>
- Girl Scouts of the USA (GSUSA) CEO Anna Maria Chavez has been a guest speaker for and a member of a **pro-abortion feminist coalition** in Texas, even though she claims to be Catholic.
- Former GSUSA CEO Kathy Cloninger admitted on NBC's Today Show in 2004 that Girl Scout troops and Councils partner with **Planned Parenthood** across the country to provide "information-based" explicit sex education. She has not retracted that statement.
- GSUSA admitted in 2011 they will hide **"transgenders"** -- boys who wish they were girls -- in troops throughout the US through the 12th Grade, without giving formal notification to its members and their guardians.
- Girl Scout **Journey books**, required for earning awards and bridging, promote a disproportionate number of abortion advocates, "Progressive" socialists, Marxists, lesbians and extreme-left liberals as role models to girls.
- Regional Girl Scout Councils across America openly support Planned Parenthood's agenda of explicit sex ed called **"Real Life. Real Talk."**
- GSUSA boasts they made **over \$760 MILLION last year in cookie sales**. Cookie sales only marginally benefit girls (40¢-70¢ per box). The wholesale cost of the cookies is around 80¢ (which includes royalty fees paid by the bakers to GSUSA). Most customers purchase them for \$4/box, but the bulk of the profits (\$2.90-\$2.50/box) benefit Councils, which GSUSA allows to partner with pro-abortion and gay-promotion groups. Councils also free to donate (cookie profits) directly to GSUSA and WAGGGS funds.
